

TYLOSIA ADVISORS

ADVISORY PROFILE · STRATEGIC ADVISORY · BOARD SERVICES

Strategic clarity for complex decisions. Senior-led, independent, discreet, cross-border counsel for founders, boards, shareholders, family offices, and private capital.

WHAT TYLOSIA DOES

Strategic Advisory & Platform Building

Strategy, business model design, platform commercialization, market entry, commercial partnerships, and execution priorities.

Private Capital & Investment Structuring

Capital planning, fundraising readiness, investment structuring, partnership terms, diligence preparation, and opportunity review.

Family Office & Shareholder Advisory

Support around ownership, governance, shareholder alignment, strategic options, and long-term value preservation.

Board, Governance & Observer Roles

Independent commercial judgment for boards, shareholders, advisory boards, observer seats, and governance-sensitive decisions.

Embedded Finance & Enterprise Fintech

Commercialization support for fintech, payroll-linked liquidity, enterprise financial technology, and bank partnerships.

GCC / MENA Market Entry & Partnerships

Cross-border strategy, stakeholder coordination, joint ventures, commercial partnerships, and regional execution support.

HOW TYLOSIA ENGAGES

Retained Advisory

Ongoing senior counsel for founders, boards, shareholders, and private capital.

Fixed-Scope Review

Defined reviews of strategy, capital materials, partnership terms, or diligence readiness.

Board & Observer Mandates

Formal NED, board observer, advisory board, or senior adviser roles.

BOUNDARIES

Tylosia Advisors provides strategic and commercial advisory support only. It does not act as a broker, placement agent, law firm, tax adviser, fiduciary, or regulated investment adviser, and it does not hold client funds or execute transactions. Where specialist legal, tax, regulatory, or transaction execution support is required, Tylosia works alongside the client's appointed professional advisers.
